Company Name (Chinese)

Company Name (English)

In the exhibitor journal list, (company names are in alphabetical order), please rank us under the letter _____

The exhibits and / or services by us are in the range of the following scope:

1. Pumps

- | | | |
|---|--|--|
| <input type="checkbox"/> 1.1. centrifugal pump | <input type="checkbox"/> 1.9. oil pump | <input type="checkbox"/> 1.17. multistage pump |
| <input type="checkbox"/> 1.2. metric pump | <input type="checkbox"/> 1.10. anti-corrosive pump | <input type="checkbox"/> 1.18. submerged pump |
| <input type="checkbox"/> 1.3. chemical pump | <input type="checkbox"/> 1.11. pneumatic pump | <input type="checkbox"/> 1.19. magnetic pump |
| <input type="checkbox"/> 1.4. water pump | <input type="checkbox"/> 1.12. pipeline pump | <input type="checkbox"/> 1.20. gear pump |
| <input type="checkbox"/> 1.5. process pump | <input type="checkbox"/> 1.13. stock pump | <input type="checkbox"/> 1.21. screw pump |
| <input type="checkbox"/> 1.6. bilge pump | <input type="checkbox"/> 1.14. air-condition pump | <input type="checkbox"/> 1.22. arcs pump |
| <input type="checkbox"/> 1.7. vortex pump | <input type="checkbox"/> 1.15. submersible pump | <input type="checkbox"/> 1.23. high-viscosity pump |
| <input type="checkbox"/> 1.8. self priming pump | <input type="checkbox"/> 1.16. sewage pump | <input type="checkbox"/> 1.24. other pump |

2. Valves

- | | | |
|--|--|--|
| <input type="checkbox"/> 2.1. gate valve | <input type="checkbox"/> 2.9. check valve | <input type="checkbox"/> 2.17. diaphragm valve |
| <input type="checkbox"/> 2.2. stop valve | <input type="checkbox"/> 2.10. pressure reducing valve | <input type="checkbox"/> 2.18. discharge valves and other special valves |
| <input type="checkbox"/> 2.3. throttle valve | <input type="checkbox"/> 2.11. safety valve | <input type="checkbox"/> 2.19. valve actuators |
| <input type="checkbox"/> 2.4. gauge valve | <input type="checkbox"/> 2.12. drainage valve | <input type="checkbox"/> 2.20. aerosol valve parts |
| <input type="checkbox"/> 2.5. plumger valve | <input type="checkbox"/> 2.13. control valve | <input type="checkbox"/> 2.21. other valve products |
| <input type="checkbox"/> 2.6. plug valves | <input type="checkbox"/> 2.14. electromagnetic valve | |

- 2.7. ball valve
- 2.8. butterfly valves
- 2.15. diaphragm valve
- 2.16. foot-valve

3. Pipe

- 3.1. pipe material
- 3.2. pipe
- 3.3. steel pipe
- 3.4. tube
- 3.5. filter
- 3.6. flange
- 3.7. piping tee
- 3.8. elbow
- 3.9. coupler
- 3.10. quick coupling
- 3.11. piping system
- 3.12. pipeline welding and construction equipment

4. Fluid Engineering

- 4.1. compressor
- 4.2. wind turbine
- 4.3. seal element
- 4.4. instrument
- 4.5. vacuum equipment
- 4.6. fluid dynamic
- 4.7. drying equipment and technology
- 4.8. reduction gearbox
- 4.9. filtration and separation
- 4.10. others

1) If there are a variety of products to display, please specify the key of the display:

2) The following products will be at the exhibition:

3) Special requirements for division of the booths:

Exhibitors shall only display exhibits related to the range of consensus of this professional exhibition. The host has the right to cancel the exhibition qualification of exhibitors who do not meet the requirements,.
